# A Festival of World Premieres and Exciting New Launches.

## The New Gran Turismo Range

Beneteau's dramatically refreshed Gran Turismo range introduces three new luxury crossover express cruisers—the Gran Turismo 35, and Gran Turismo 40 —making their world debut at the Cannes Yachting Festival in September 2025.

Embodying the brand's "Sport-Lux" philosophy, these yachts blend high-end performance with villa-style comfort: generous open deck areas, elegant minimalist styling influenced by Japanese design principles, driver-focused ergonomics, advanced hull design, connectivity, and personalisation options. Enhanced with solar power systems, gyro-stabilisation and limited-edition Alpine collaborations, the new Gran Turismo series redefines modern boating for discerning owners.

## The Alpine Range

Two iconic pillars of French industry—Beneteau, the world-leading yacht builder, and Alpine, the high-performance sports car and BWT Alpine Formula One team—have forged a long-term strategic alliance unveiled at Boot Düsseldorf 2025. Combining over two centuries of innovation and craftsmanship under the French tricolour banner, the partnership will bring together Alpine's motorsport DNA and Beneteau's nautical excellence to launch a series of limited-edition, co-branded offerings and cutting-edge projects
